MUROMOTO

# Mini Wire Stripper

## <VST 25>

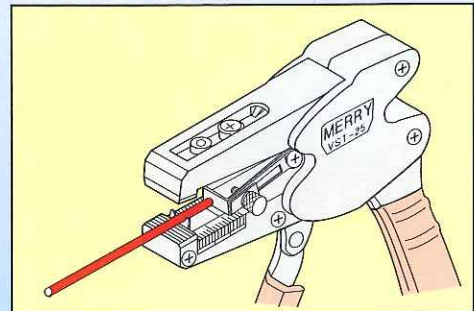

PAT. & PAT.P.  
JP.US.CA.AU.KR.DE.FR.GB.IT

Stripping Capacity;  
Minimum **0.05**mm<sup>2</sup>  
Maximum **3.5**mm<sup>2</sup>  
Single or multi-core.

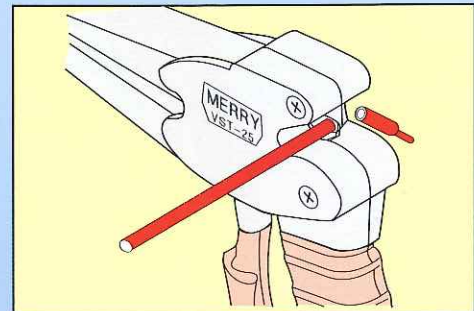

*Available for stripping wires of any size within the minimum and maximum range.*

As the head is slim and long, it permits operation even in narrow spaces.

As the stripping blade is V-shaped, the setting to the wire is easily made.

Cutting

Model No.	Length	Weight	Stripping capacity	Blade No. (Stripping)	Cutting capacity (Copper)	Blade No. (Cutting)
VST 25	120mm	260g	0.05~3.5mm <sup>2</sup> (AWG30~10)	VS 20	φ2.6mm	VC 25

**WARNING**  Never apply the tool for wire-stripping when the wire is under current  
 Pay utmost careful attention in handling the cutting blades because of extreme sharp edges.
